Thanks Tom!

Should we pass along Jacquie's main briefing points from her email (pasted below)?

I also recommend a note to Tinka and Bob with several points worth mentioning:

- 1.
- 2.
- 3.

Tinka: Attached is the response letter to Mr. Bilot about DuPont/PFOA drafted by OGWDW/R5/R3. Rett has commented and this will eventually need to go to Bob for review. It currently has the R3 RA signing the letter. The letter briefly explains what was done in the Hoosick Falls case and that R3 and R5 will be working on a more immediate response for DuPont as we await the finalization of the health advisory.
